INTERMEDIATE BOYS SOCCER

Our Year 9/10 boys soccer team headed over to Darebin for the day. The sun was out, but the wind played tricks on the ball all day, resulting in many interesting games.
MID YEAR INTERVIEWS AT RANGEVIEW CAMPUS

Parent Student Teacher Interviews in relation to mid year reports for the Prep to Year 8 students will be held at the Rangeview Campus on Tuesday 24 June between 4.00pm and 7.00pm. Prep to Year 4 interviews will be of 10 minutes duration and Years 5 – 8 will be of 15 minutes duration. As there will be insufficient time to conduct all the Years 5 – 8 interviews on this date, a further date in the first week of Term 3 has been established to complete the remainder of those not completed in Term 2. This date will be Thursday 17 July.

The PTO system of online booking for these interviews can be accessed through the College website and should be available for bookings early next week.

CYBER SAFETY INFORMATION EVENING

Boronia K-12 College is pleased to offer an information evening for our parents in relation to what it means to be Cyber Safe. The session will be conducted IN our Middle Years Learning Neighbourhood on Thursday 12 June from 7.30pm – 8.30pm. The session will be facilitated by Emily Dawson, the College Adolescent Health Nurse. To register for this event, parents are requested to contact the General Office.

DISABLED PARKING

A reminder to all parents that the designated blue disabled car parking spaces are reserved for those parents or families with a genuine disability. I know traffic spaces are at a premium at the Rangeview Campus at the moment but please respect the needs of those parents who require access to these spaces.

TRAFFIC ISSUES

A reminder to all parents of the following points when using the Albert Avenue entrance:

- Do not park and leave your vehicle on the roundabout outside the front entrance or park on the concrete outside the front door!!
- Please do not sit in the car in the College grounds smoking. This is not acceptable.
- Do not park in or obstructing the narrow strip leading down to the basketball courts. This roadway needs to be kept clear for emergency vehicle access.
- Drop off students outside the main entrance in the morning to help minimise congestion and to maximise safety.
- Students should exit from the school side of the car. In the afternoon, please hold the hands of very young children and keep a watchful eye on older students as you make your way to the car.
- If it is possible consider collecting your children 10 – 15 minutes after the end of the day as this also helps to reduce congestion. It is much easier to drive in and out after 3.45pm and we are happy for students to wait in the General Office foyer.
- Consider parking in Bambury Street and walking in to collect your children. This provides an opportunity to discuss the day with your child/children as you walk out and is also a good excuse for some exercise!!

I am aware that everyone is trying to do the right thing so let’s all remain calm as we navigate through the last phase of our construction process. Things will ease at the Albert Avenue entrance once the Prep to Year 4’s move back to the Rangeview Road end of the College.

2014 – 2015 PREMIERS SPIRIT OF ANZAC PRIZE - Call for Entries

The Premiers Spirit of Anzac Prize invites young people in Years 9 and 10 to explore the ethos displayed by Anzacs at Gallipoli and Western Front and reflect on how these values apply in Victorian communities today. The prize is open to students in Year 9 and Year 10 at all Victorian Secondary schools.

Through the competition, 12 students from across Victoria will travel on an overseas Study Tour to Gallipoli and the Western Front, the World War 1 sites of military and cultural significance to Australian servicemen and women. The Study Tour will take place during the term 1 school holidays in 2015. In addition, 16 regional finalists will participate in a study tour within Australia.

Entry forms and further information, including successful entries, tour blogs and photos from this year’s students, are available to view and download at www.veterans.vic.gov.au The competition closes on Friday October 17th, 2014 and the lodgement of entries is encouraged throughout the year.

CENTENARY CELEBRATION OF THE ANZAC LANDINGS AT GALLIPOLI

The Victorian Government is sending 98 Victorian students and chaperones to Gallipoli to attend the Anzac Day Dawn Service in 2015. Those chosen will join with other Australian students, as well as descendants of those who served at Gallipoli, Australian First World War widows and thousands of Australians successful in the National Ballot. Students in Year 9 – 12, as well as teachers are able to apply.

Eligible students are required to submit a written application demonstrating their involvement in, and commitment to community activities. Students will also be required to write how they plan to share insights gained from their Gallipoli experience with their school and the community. Applications close on June 13, 2014. Applications must be submitted electronically to Gallipoli.dawn.service@edumail.vic.gov.au

REPORTS AND STUDENT LEARNING

Formal mid year reports for all students will be sent home by Friday 20 June. Please ensure you book into an interview with your child’s class/ pod/ mentor teacher on Tuesday 24 June or on the second evening for Middle Year students in week one, Term 3.

As we formally reflect on your child’s achievements during the first 6 months of this year, it must be remembered that all students regardless of year level are individuals and develop (physically, emotionally and academically) at different rates. Our job at Boronia K-12 College, is to provide your children with every opportunity we can to help them achieve their goals and reach their potential. This will vary from child to child, and is why we see our students as individuals, rather than children who we can compare against each other.

MEDICATIONS AT SCHOOL

I’d like to remind everybody that if your child is required to take medication during the school day this needs to be organised through the general office. That way we are able to keep track of and record when medications have been administered.

NATIONAL RECONCILIATION WEEK

National Reconciliation Week (NRW) is celebrated across Australia each year between Tuesday 27 May and Tuesday 3 June. The dates commemorate two significant milestones in the reconciliation journey – the anniversaries of the successful 1967 referendum and the High Court Mabo decision.

NRW is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.

The theme for this year is ‘Let’s Walk the Talk’ - with a continued focus on how Australians can better respect each other, and recognise the contributions, cultures and histories of Aboriginal and Torres Strait Islander peoples.

What is recognition?

Recognition means different things to different people. The Macquarie Dictionary says that recognition means “the acknowledgement of something as valid or entitled to consideration”.

Recognition can take lots of different forms, such as:

- being praised at work or school for your hard work and effort.
- saying a simple “thank you” when someone lends you a helping hand
- cheering on your friends or being cheered on during a game

Think about how much you value recognition. When you are sincerely recognised for whom you are and what you contribute, you feel proud, valued and connected.

Being recognised is good for your self-esteem. It energises you and encourages you to recognise the best in others.

Recognition is an important part of reconciliation. During National Reconciliation Week, think about the value of recognition, what it means to you and why it’s important in building a national conversation about reconciliation. National Reconciliation Week is also the perfect opportunity to celebrate the importance of respect, different perspectives and diverse cultural experiences. Learning about reconciliation helps students to become active and socially aware citizens in many aspects of society.

More information about National Reconciliation Week can be found at: www.reconciliation.org.au/nrw/

PHONES

This week all students were reminded that phones must be locked in their locker during the school day. Any student misusing their phone will have it confiscated.

Kate Harnetty

Rangeview Campus Principal

General Office

A reminder to families that the General Office at both campuses is open during the school week from Monday to Friday from 8.30am - 4.30pm.

A new telephone system was installed at the beginning of the year, resulting in one telephone number for both campuses. The College telephone number is:

9760 4900

This number will reach the Rangeview Campus, however your call can be transferred across the Mount View Campus upon request.

The student absence line is accessed at both campuses.

The College email address is:

boronia.k12@edumail.vic.gov.au

College Newsletter

A reminder to parents and guardians that the College Newsletter is no longer distributed in the classroom. Those wish to obtain a hard copy of the newsletter must collect one from the General Office. Hard copy newsletters are only printed in black and white.
Semester 1 Reports

The College assessment and reporting day this week is a signal to students that all semester one work should have been submitted. Please ensure that everything has been completed, but if there are any issues, communicate with the relevant teacher. Do not ignore issues and jeopardise your pathway. If in doubt, call the relevant coordinator or me for further assistance and/or support. Reports will be posted home at the end of this term.

Exams

Students at all year levels will be completing exams over the next two weeks. Year 9s will have exams during regular class time, but under formal exam conditions. They will be used to this, having just completed NAPLAN, during which time they proved they can easily manage the restrictions and formality of the process.

Exams for VCE students will run from 10 June to 16 June, with the GAT on Wednesday 11 June. Students will receive a timetable and separate information for the GAT.

VCAL redemption is also scheduled during week 8 of the term, and their new units for semester two begin on Monday 16 June.

Unit 2 and Unit 4 Classes

Families of VCE students should note that Unit 2 and Unit 4 classes commence on Tuesday 17 June. If you need to buy any texts or equipment for semester two, this is the time to do it.

Excursions

Advance notice for planned excursions later this term:

Years 9 and 10 have the opportunity to attend a KIOSC Taster Afternoon on Thursday 19 June, and engage in workshops.

Year 12 students will attend the Deakin Tertiary Information Session on Thursday 26 June, to get an overview of offerings and a glimpse into University life. Further information will be provided soon.

End of Term Easter Raffle

Late but not forgotten! Emilee Egan was the proud winner of our Easter Egg raffle at the end of term one. The prize was a delightful surprise donated by the Parent Club, so we thank them for brightening Emilee’s Easter and creating much interest in the process.

GOODLUCK TO OUR DISTRICT CROSS COUNTRY COMPETITORS!

Primary Division (Friday 30 May) and Secondary Division (Tuesday 3 June)

Secondary Sport days - remember to return your permission forms and money on time so you can participate.

SPORT DATES:

Intermediate Sport: (Year 9/10) netball, football, badminton - Wednesday 11 June
Year 7 Soccer - Friday 20 June
Year 7 - netball, football badminton on Wednesday 25 June
Year 9 & 10 Boys Soccer

Our Year 9/10 boys soccer team headed over to Darebin for the day on Friday 16 May. The sun was out, but the wind played tricks on the ball all day, resulting in some
very interesting games. We played Wantirna, Rowville West, Rowville East and Fairhills in a round robin.

Our goalies worked hard all day blocking quite a few goals and our defence created quite a few turnovers. Jack (9A) scored a magnificently sneaky goal against Rowville West, however the highlight of the day was our close match against Fairhills. Jared (10A) scored a couple of goals in close whilst Matt (9A) scored a ripper from the edge of the box. A sensational way to end the day!

Well done to all of the boys, you all contributed fearlessly and showed great companionship on the pitch. Our team looked utterly awesome in the newly acquired team uniforms.

Middle Years Uniform

As mentioned in Ms Harnetty’s report in last week’s Newsletter, below are photos of the correct winter uniform for Middle Years students. Please see last week’s Newsletter for details.
School Disco

A huge, gigantic and mammoth thank you to the Parent Club members, 260 odd students, parents of those students, parent helpers, teachers and staff members that helped the Parents Club Annual School Disco be a successful event. That is over 58% of the kinder to Year 8 students dancing the night away!

Thank you for supporting our event!

APOLOGY:

The Parents Club would like to apologise for not distributing glow sticks as is traditionally done at the Annual Disco. An incident occurred in the first session and in the interest of safety for all students we decided not to hand them out.

Thank you for your understanding.

Nissan Raffle

Don’t forget to sell your tickets and return all money, ticket stubs and unsold tickets to the office by Thursday 31 July 2014.

The raffle is sponsored by Ferntree Gully Nissan. Participation is voluntary; however 100% of ticket sales go to the College. So please sell what you can.

Major School Fundraiser

If you own a business or work for an organisation that would kindly donate something for our Silent Auction we would love to hear from you.

Please contact Michelle Phillips on 0403 161 171 or Donna Eagle on 0434 892 185.

If you would like to assist with any events or activities, come along to a Parents’ Club Meeting or contact Michelle Phillips or Donna Eagle, we would love to see you.

Be Thankful - (Author Unknown)

I used this article in 2010. I decided to resurrect it, as May 31 is the National Day of Thanksgiving.

- Be thankful that you don't already have everything you desire... if you did, what would there be to look forward to?
- Be thankful when you don't know something ... for it gives you the opportunity to learn.
- Be thankful for the difficult times ... during those times you grow.
- Be thankful for your limitations ... they give you opportunities for improvement.
- Be thankful for each new challenge... which will build your strength and character.
- Be thankful for your mistakes ... they will teach you valuable lessons.
- Be thankful when you're tired and weary ... because it means you've given your all.

It's easy to be thankful for the 'good' things ... yet, a life of rich fulfilment comes to those who are thankful for the setbacks.

Gratitude can turn a negative into a positive ... find a way to be thankful for your troubles and they can become your blessings.

In a world where so much is wrong, this reminds us that we can choose to look at the glass half full rather than half empty – if we can’t change life, we can change the way we look at it.

I’m thankful for my wife Bonnie, our three kids, our grandson Ezra, for faith, for music, for Hi-5’s, for opportunities to have fun & knowing I am loved. What are you thankful for?

My featured book this week is ‘I Like Myself’, by Karen Beaumont. At the start of the book, the author writes ‘Wishing every child the magic of self-acceptance and love’.

**VICTORIA UNIVERSITY (VU) NEWS LEADER IN SPORT** - VU has an outstanding reputation in sport, exercise and active living. It has the largest number of sport related courses in Australia and is the only university with a dedicated College of Sport and Exercise Science. Courses cover exercise science and human movement, physical education, sport management, sports law, sports engineering, and osteopathy. The newly established VU Basketball Academy, under the Directorship of Andrew Gaze, enhances sport teaching, research and knowledge exchange. VU Partnerships provide excellent opportunities for students to learn from professionals.

**P-12 BACHELOR OF EDUCATION** - VU is one of a few universities in Australia offering a Bachelor of Education (P-12) which allows graduates to teach at any school level, primary or secondary. At most other universities students must decide whether they want to teach at the primary or secondary level when applying for courses when in Year 12. VU education students can specialise in physical education, the arts, home economics, humanities, social sciences, mathematics, outdoor education and science.

**Wizard of Oz Meeting**

Dear Parents and Guardians,

The College Production Committee are calling for help! Any parents interested in offering assistance with the College Production in the areas of set construction, set painting, props, costumes, marketing and other areas, are invited to a meeting starting at 3.30pm on Monday 2 June in the Rangeview Campus MacLab (situated in our Performing Arts Building).

If you are unable to attend the meeting, but you are still interested in offering assistance, please contact Catherine Primerano at Rangeview Campus General Office or email Wayne Robinson on the below email address.

Furthermore, we are also calling for donations. We are in need of timber, paint and materials for the production. If any parents are able to donate any of these, please contact Wayne Robinson via email: robinson.wayne.j@edumail.vic.gov.au

All donations are welcome.

**IS ORAL HEALTH A PATHWAY TO DENTISTRY AT MELBOURNE?** The Bachelor of Oral Health does NOT qualify students as dentists and is NOT a pathway to the Doctor of Dental Surgery at the University of Melbourne. It is a 3-year degree with four main components: clinical and preventative dentistry, dental and health sciences, social sciences and health promotion, and vocational clinical practice. Oral health allows graduates to practice as an oral health therapist, a dental hygienist or a dental therapist. Info: www.dent.unimelb.edu.au Information about pathways to the Doctor of Dental Surgery see: www.coursesearch.unimelb.edu.au/pathways/2-dentistry.

**WHAT CAN I DO WITH A PUBLIC HEALTH AND HEALTH PROMOTION DEGREE?** Public health and health promotion combine a range of activities directed at improving the health of people in the population. Some well-known activities include those run by organisations such as SunSmart, TAC, and QUIT. Public health seeks to understand and act on the social and environmental factors that cause poor health, with the factors that create and sustain good health. Those suited to this occupation have good communication and negotiation skills, can relate to people from different backgrounds and are able to work as part of a team. Graduates work for government, health agencies, community services, universities, aid and not-for-profit organisations. Suitable courses are Deakin University B. Public Health and Health Promotion, La Trobe B. Health Promotion, Monash B. Health Promotion, Swinburne B. Health Science (Public and Environmental Health), and ACU B. Applied Public Health. ATARs required range from around 55 to around 75. Pre-requisites vary from university to university.

**FIND OUT MORE ABOUT JOINING THE DEFENCE FORCES** – Defence Force Recruiting holds regular information sessions on a number of topics. Coming up:

- One Year Roles and the ADF GAP Year: 5.30pm for 6-7pm session, Wed 4 June
- Australian Defence Force Academy (ADFA in Canberra) – 6-7.30pm, Wed 11 June
- Army Officer (Royal Military College Duntroon) – 5.30pm for 6-7pm session, Wed 18 June.
- All session are at Level 14, 501 Swanston St, Melbourne; Bookings: CPTVIC@dfr.com.au.
- Students/families in Years 10-12 welcome.

LOOKING FOR A CARING CAREER? Thinking of a career in disability, aged care or home and community care? Then, you may find assistance by going to: www.carecareers.com.au. This site provides assistance with jobs, information and career advice. There is also an interesting pictorial career quiz you might like to try.

AUSTRALIAN CATHOLIC UNIVERSITY (ACU) NEWS – ‘UNIVERSITY EXPERIENCE’, is a program giving you the opportunity to sample the degree of your choice. Get a taste of life at ACU by meeting academic staff and current students, and trying out the course you’re interested in studying. ACCESS SCHEMES & BONUS POINTS AT ACU – Boost your chances of entry to ACU through alternative entry and access schemes. These schemes include: subject bonus, schools relationship bonus, campus bonus, regional schools bonus, Elite Athlete Program and the Early Achievers’ Program. More Info: www.acu.edu.au/acu-access.

EARLY ACHIEVERS’ PROGRAM – ACU recognises that you have more to offer than your academic results. If you regularly contribute to your community – through school, workplace, community organisation, or cultural or religious group – you could be eligible for ACU’s Early Achievers’ Program. If successful, you will receive an offer of a place well before the usual tertiary admissions announcements. Applications open: 17 Aug, close 20 Oct; Info: www.acu.edu.au/achieve-early.

CAN’T DECIDE WHAT TO STUDY? Find the career that is right for you by using ACU Career Match at www.acu.edu.au/my-career-match.

ASPIRE – THE NEW LA TROBE UNIVERSITY EARLY ENTRY PROGRAM As mentioned previously, La Trobe has a new initiative for school leavers for entry to the university in 2015. The new Aspire Early Admissions Program recognises the positive impact that a student has had on their local community. Community engagement and objective school achievement forms a significant part of the assessment criteria of the Aspire program, not ATAR scores. Students will be able to apply across all La Trobe courses at all campuses, with offers of places being made to successful applicants as early as September. Applications open: 1 July, close: 31 August. Register now for program updates at: Aspire webpage.

SO YOU WANT TO GET INTO A TRADE? Thinking of being a plumber, carpenter, electrician, motor mechanic, refrigeration mechanic, tiler, brick layer, auto electrician, lift mechanic, or one of many other trades people? Most students think first of being a carpenter, an electrician or a plumber. However, there are so many others to choose from. Apprenticeships generally take four years, but, if an apprentice is competent, they may be able to complete sooner. Plumbing and electrical apprenticeships take four years.

Employers often look for three things in an applicant: Year 12 completion (VCE or VCAL), being 18 with a driving licence and vehicle, and completion of a pre-apprenticeship course. Pre-apprenticeships can be completed in about four of five months at TAFE (after finishing school) or sometimes while at school. Finding an employer can be a challenge. Suggestions are to try family contacts, sporting club contacts, letting people know that an apprenticeship is being sought. Alternatively, Group Training Organisations can often assist. These organisations employ apprentices and lease them to suitable employers. See: www.grouptraining.com.au. Also see: www.aapathways.com.au.

INTERNATIONAL COLLEGE OF HOTEL MANAGEMENT – ICHM prepares students for careers at the top end of the international hotel industry. Located in Adelaide, it is the only Swiss Hotel Association School outside Europe, and offers internationally recognised qualifications (B. International Hotel Management and B. Business (Hospitality Management). If you would like to find out more about the College and it’s degrees, you can attend an ICHM Career Week at the College. When: 7-11 July or 29 Sept to 3 Oct; Where: ICHM, Days Rd, Regency Park, SA; Cost: $595 (deducted from first year fees if you enrol); Info: www.ichm.edu.au.
