Proudly Learning Together

26 November, 2024

Dear Parents/Carers,

Re: Voluntary Contributions Years 7 - 10

Thank you for your ongoing support and partnership throughout this year. We are always focused on providing our students with the best possible education and there are many positive changes planned for 2025 that will further enhance the educational experience for all students.

The government provides our school funding to provide free classroom instruction to deliver the standard Victorian Curriculum and we wish to assure you that all financial contributions are voluntary. Nevertheless, the ongoing support of our families by way of contributions or volunteering time does help us offer the best possible curricular and extra-curricular programs that ultimately enhances the learning and wellbeing supports provided to students. Over time this has made a huge difference to our school and the programs we can offer such as:

- Offer a broad range of subjects, electives, clubs and special curriculum experiences for students across all year levels
- Provide additional wellbeing and sub school supports including programs that respond to cohort or individual needs
- Upgrades to our grounds and facilities including blinds and air conditioning for classrooms and enhancements to the outdoor environment
- Upgrades to our Wi-Fi network and technologies such as new presentation TVs, 3D printers and Laptops to support learning interventions; and
- Upgrades to our sporting facilities and equipment

The information on the following pages outlines the Boronia K-12 College voluntary contributions schedule for 2025, which includes an overview of how your contributions will contribute to supporting our school.

For further information about the Department of Education's Parent Payments Policy, please see the one-page overview attached.

Thank you for your support.

Yours sincerely,

Paul Broecker
Principal
