Dear Parents/Carers,

Re: Voluntary Contributions – Year 7

To our existing families, thank you for your ongoing support and partnership throughout the years. To our new families, welcome to our College Community. We are always focused on providing our students with the best possible education and there are many positive changes planned for 2026 that will further enhance the educational experience for all students.

The government provides our school funding to provide free classroom instruction to deliver the standard Victorian Curriculum, and we wish to assure you that all financial contributions are voluntary. Nevertheless, the ongoing support of our families by way of contributions or volunteering time does help us offer the best possible curricular and extra-curricular programs that ultimately enhances the learning and wellbeing supports provided to students. Over time this has made a huge difference to our school and the programs we can offer such as:

- Offer more subjects, electives, clubs and special curriculum experiences for students across all year levels
- Provide additional wellbeing and sub school supports including programs that respond to cohort or individual needs
- Upgrades to our grounds and facilities, our new Fitness Centre, Dance Studio and enhancements for our students including drink taps, lockers and toilet upgrades
- Upgrades to our Wi-Fi network and technologies such as new presentation TVs, 3D printers and laptops including upgrades to the MAC Lab to support learning; and
- Upgrades to our sporting facilities and equipment

The information on the following pages outlines the Boronia K-12 College voluntary contributions schedule for 2026, which includes an overview of how your contributions will contribute to supporting our school.

For further information about the Department of Education's Parent Payments Policy, please see the one-page overview attached.

Thank you for your support.

Yours sincerely,

Paul Broecker
Principal
